# PILOTLIVE MOBILE & WEB REPORTING

## Registering PilotLive Mobile App

Mobile numbers of <u>store owners</u> will be linked to their stores by Pilot Software.

Owners can then link and manage users to PilotLive.

> Download the PilotLive Mobile Reporting App on your Play Store (Android) or App Store (iPhone).

Open the App, enter your name, surname and mobile number. After reading the privacy policy, Tick 'I have read and agree to the Privacy Policy'. Click Request Pin.

Enter the One Time Pin that was sent to your mobile number via SMS.

# Linking a new user to PilotLive

Store owners are responsible for linking new users to PilotLive.

The new user will need to download the PilotLive Mobile reporting App on the Play Store (Android) or App Store (iPhone) and register as shown above.

Store owners can click on the store they wish to link a new user to, and then select Manage Users.

Click on Link new user.

Enter the users' mobile number and select the user role. Click on the Submit button once done.

The new user will now have full to limited access on PilotLive depending on their role.

## PilotLive Web Reporting

From your PilotLive mobile app, click on the three dots located at the top right of the screen. Select Profile.
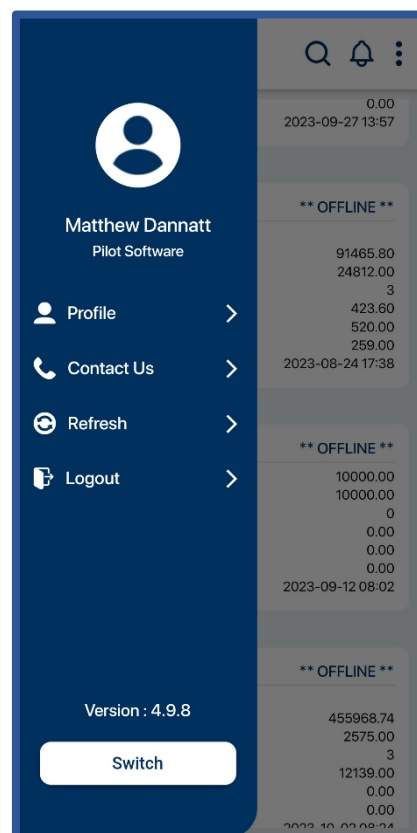

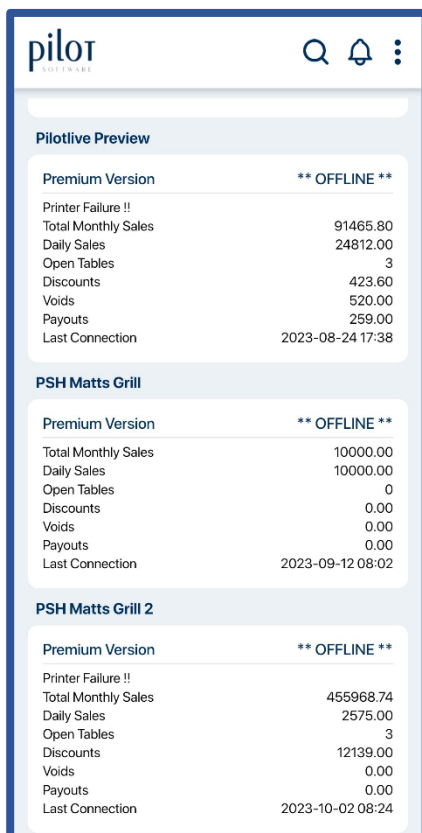

Here you will find the web address, your username and password.
